3 March 2020

Thank you for enquiring about trading on Wisbech Market.

Please ensure you read a copy of the Wisbech Trading Information Pack (available on our website. For a printed copy please contact the Town Council office).

Please return a copy of the form completed with your trading requirements. Please state if you need access to electricity. We will contact you to confirm pitch availability.

Payment details will be sent (and bank payment details supplied for those wishing to pay by Standing Order) once trading requirements are known.

Market Rent 2020/2021 Monday - Saturday (no change from 2018/2019 and 2019/20)

Sunday trading is £5 per stall (pitch availability is on a first-come-first-served basis). Traders have pitch priority over car booters with prior notification of wishing to trade.

LICENSED		CASUAL	
3m	£12	3m	£20
6m	£18	6m	£30
9m	£28	9m	£40
12m	£38	12m	£50
+	£50 (or to be negotiated)	+	to be negotiated

*If licensed you are guaranteed a pitch (barring exceptional circumstances) which you pay for whether in attendance or not. Licensed pitches can be particular days, or seasonal if required. The Council is happy to discuss any requirements.

**Casual – due to the casual nature, this is a higher rate but you do not pay if not in attendance, and the pitch cannot be guaranteed.

As a concession, licensed traders have been charged licensed rates for casual attendance on non-licensed days. Trading on non-licensed days can only be by prior agreement, and if space is available.

If by 9am there are no neighbouring pitches allocated, and at no nuisance to any other trader, you may increase your pitch size at no extra cost.
