

## WISBECH TOWN COUNCIL

18 and 21 May 2018

### MINUTES OF MEETING

#### **Friday 18 May 2018 (12 noon)**

**Present:** Councillors Balsevics, Mrs Cox, Hill, Hodgson, Miss Hoy, Human, Lynn, Mrs MacRae, Maul, Oliver, Miss Oliver, Rackley, and Tierney.

**Apologies:** Councillors Miss Cobb, Tibbs and Wing.

**In attendance:** Mr R Barnwell (Vice Lord Lieutenant), Councillor Mrs K Mayor (Chairman of Fenland District Council), Mr K Mayor, Freemen of the Town: a representative of the Royal British Legion 876 Riders and Mr R Sanderson, Mrs B Oliver, Mr G MacRae, Councillor S King, Mr T O'Keeffe (Mayor's Chaplain), Mr T Jordan (Town Clerk), Mrs S Farmer (Operations Manager and Deputy Clerk), Mrs T Bidwell-Hazell (Town Council Administrator and Civics Officer), Mr T Longmuir (Macebearer) and guests of the Mayor and Deputy Mayor elect.

Members and guests were seated in the Council Chamber to await the Mayoral party, which entered the Chamber at 12 noon.

On taking his seat, the outgoing Mayor of Wisbech, Councillor Tierney, called upon Mr T O'Keeffe, the Mayor's Chaplain, to say a prayer.

The outgoing Mayor thanked Mr O'Keeffe and opened the meeting.

#### **1/18 Election of Chairman of the Town Council (to be known as Town Mayor) for the municipal year 2018/19**

Members decided, unanimously, on the proposal of Councillor Hodgson, seconded by Councillor Oliver, and there being no other nominations, that Councillor Human be elected as Chairman of Wisbech Town Council and Mayor of Wisbech for the municipal year 2018/19 and that he paid an annual allowance of £3,100 in relation to the performance of that role.

The Mayor read and signed a Declaration of Acceptance of Office. He paid tribute to the outgoing Mayor, Councillor Tierney, and presented him and Mrs Tierney with their Past Mayor and Mayoress's badges.

#### **2/18 Election of Vice-Chairman of the Town Council (to be known as Deputy Town Mayor) for the municipal year 2018/19**

Members decided, unanimously, on the proposal of Councillor Maul, seconded by Councillor Lynn, and there being no other nominations, that Councillor Hill be elected as Vice-Chairman of Wisbech Town Council and Deputy Mayor of Wisbech for the municipal year 2018/19 and that he be entitled to claim the travelling allowance agreed by council.

#### **3/18 Adjournment of the meeting until 7.30 pm on 21 May 2018**

Members decided, unanimously, that the Annual Meeting of Wisbech Town Council be adjourned (at 12.35 pm) until 7.30 pm on Monday 21 May 2018.

## **Monday 21 May 2018 (7.30 pm)**

**Present:** Councillor Human, Chairman (and Town Mayor); Councillors Balsevics, Miss Cobb, Mrs Cox, Hill (Deputy Mayor), Miss Hoy, Lynn, Mrs MacRae, Maul, Oliver, Miss Oliver, Rackley, Schooling, Tibbs and Tierney.

**Apologies:** Councillors Hodgson and Wing.

Councillor Tierney was given leave by the Mayor to present Mr David Topgood with a gift to thank him for his assistance during the past Mayoral year.

### **4/18 Cambridgeshire Constabulary**

Police Inspector Ian Lombardo reported to the council on recent incidents of crime and disorder and other matters in Wisbech and he invited councillors to ask him questions on specific issues and concerns.

Councillor Mrs Cox asked if an operation similar to Operation Jessica in the West Midlands [Operation Jessica had been launched in 2014 giving police the powers to seize foreign vehicles and insist that owners tax, insure and register them in the UK or leave the country within 56 days; any vehicles not claimed would be crushed] could be initiated in Wisbech, as it may help alleviate the parking issues being experienced in the town.

Inspector Lombardo responded that this initiative addresses issues of non-registered cars but is not able to tackle illegal and inconsiderate parking.

Councillor Tierney requested that the police attendance at Wisbech Town Council meetings be on similar lines to that at the Waterlees Forum where the public may give priorities to the police.

Inspector Lombardo responded that the police are required to prioritise threat, risk and harm issues (i.e. incidences such as drug dealing). He acknowledges that anti-social behaviour and issues such as illegal parking are of concern to the public but policing must focus on high risk issues. He also stated that are issues that are not specifically policing matters and Cambridgeshire Constabulary works with other agencies to try to address such issues; he highlighted the ability for the public to report incidents of anti-social behaviour online:

<http://www.fenland.gov.uk/antisocialbehaviour>

<https://www.cambs.police.uk/report/Report-Shared/Report-a-concern>

Councillor Lynn raised concerns that although he acknowledges that the police are prioritising high risk issues, this should not be to the detriment of smaller issues that affect residents. In response, Inspector Lombardo commented that details would be needed of these smaller issues to enable the police to assess them for inclusion within the police workload.

Councillor Mrs MacRae raised concerns about the public having confidence that issues of petty crime and anti-social behaviour are being addressed when they contact the police, even though it is acknowledged that the “bigger picture” is one of prioritising high-risk issues.

Inspector Lombardo urged the public to report any incidents. It is extremely important that all issues are reported so that police records are up-to-date and resources can be allocated appropriately. He mentioned that in recent weeks there had been covert and high-viz patrols in Wisbech and outside schools in response to public concerns.

Inspector Lombardo reported that the format of the regular policing information sent to the council is to be revised with bespoke information for towns and parishes, plus over-arching priorities.

Councillor Human commented upon a seminar that he had attended recently at March. Having completed a policing rota exercise as part of the workshop, Councillor Human appreciates the issues that the police face; however, it would still be preferable to have additional police officers on duty.

Inspector Lombardo stated that, as a consequence of the recent police review, the number of police officers is increasing in both the Response Team (999 calls) and in Neighbourhood Policing, with an additional five staff due in the Wisbech/March area.

Members decided that the situation be noted.

### **5/18 Vacancy in the membership of Wisbech Town Council**

Further to minute 181/17, members noted that a by-election to fill the vacancy in membership of the council would take place on 7 June 2018, with three candidates for the one seat available.

### **6/18 Signatories to the council's bank accounts**

Members considered authorising a number of councillors to act in the capacity as signatories to Wisbech Town Council's bank accounts.

Members decided, unanimously, on a proposal by Councillor Oliver, seconded by Councillor Tierney, that the Chairman of the Town Council (Town Mayor), Vice-Chairman of the Council (Deputy Mayor), Leader of the Council and the Chairmen of the Council's Committees be authorised as bank account signatories, with at least one of the signatories to a cheque (or to authorise BACS payments) being the Chairman of the Council (Town Mayor), Vice-Chairman of the Council (Deputy Mayor), Leader of the Council or the Chairman of the Policy and Resources Committee.

### **7/18 Clarion Housing**

Further to minute 150/17, Sue Stavers (Head of Operations (East)) and John Fox (Regional Repairs Manager (East)) attended the meeting to provide a further update, and to answer members' questions, on the manner in which Clarion Housing is dealing with repair and maintenance and tenancy issues at its properties in the Fenland area.

Mrs Stavers informed the council that there are still some outstanding issues from the last presentation to this council, including fencing and the refurbishment of the Astro turf pitch at Lime Avenue; however, plans are in place to address the matters. She mentioned that the Lime Avenue scheme should be completed by September 2018 and Clarion is hoping to recruit local volunteers to help oversee its maintenance and activities.

The council was informed that a new contractor, Swale, had been awarded the gas maintenance contract and there are now approximately 50 outstanding gas repairs being dealt with (which is usual for the large number of properties overall); 158 boilers had been replaced in Fenland so far and another 166 are scheduled for replacement during this financial year.

Mrs Stavers commented that one issue being faced is the shortage of gas engineers; to this end Clarion is looking at introducing an apprenticeship scheme.

Councillor Tierney acknowledged the response from the previous visit regarding single advertisements being used for several vacant properties being cost-effective. However, residents are raising concerns over large numbers of empty properties.

Mrs Stavers responded that during April the average turnover was 13.8 days. If repairs or maintenance were needed this could delay getting the property occupied. There could also be cases where tenants had left without notifying Clarion and the landlord was, consequently, unaware that a property is empty. If anyone has queries they should contact Clarion with the details. Recent concerns raised of empty properties had turned out to be privately owned, not Clarion housing stock.

Councillor Human asked if Clarion expected to have sufficient gas engineers available in September/October when the demand for repair work is likely to be higher. Mrs Stavers responded that there is to be a programme of education with tenants (especially the elderly and vulnerable) to check that their heating works before it is needed, so that any issues could be addressed early.

Members decided that the information reported and comments made by the representatives of Clarion Housing and the comments made and questions asked by members of the council be noted and that the representatives of Clarion Housing would attend the November 2018 meeting of Wisbech Town Council, to provide the council with a further update on the situation.

### **8/18 Wisbech Access Strategy (WAS)**

Councillor Oliver reported to members (using the report which had been presented to a meeting of Fenland District Council's Cabinet on 17 May 2018) on the Wisbech Access Strategy (WAS); he introduced Richard Jones from Skanska, who had played a part in the production of the WAS.

Councillor Oliver commented that the Wisbech Access Strategy (WAS) had been a long time coming and is important to Wisbech; he expressed the hope that residents of the town would see the improvements coming forward in the not too distant future.

Members were informed that the WAS had been developed using £1m of Growth Deal funding for which Fenland District Council (FDC), Cambridgeshire County Council (CCC) and the Greater Cambridge Greater Peterborough Local Enterprise Partnership (GCGP) had applied. A further £10.5m is also available from the Cambridgeshire and Peterborough Combined Authority (CPCA) Business Board/Growth Deal to construct schemes within the short-term to 2021. It is also expected (subject to approval) that an additional £10.5m would be available from the CPCA, which would allow one of the schemes to be brought forward from the medium-term package for earlier delivery.

The WAS had been developed to address transport issues at key locations that were identified through development of the Fenland Local Plan. Schemes within the Access Strategy address current congestion and road safety, whilst increasing road capacity and supporting housing and job growth.

A series of public consultation events last November had shown support for the overall programme of schemes but there had been concern that the Southern Access Road (linking New Bridge Lane and Bolness Road) would impact negatively upon the railway project. Objectors had said that the road would cut through the former route of the March to Wisbech railway line and could potentially prevent the re-opening of a Wisbech railway station in the town centre. Following comments received from the public consultation exercise in November 2017, a new package had been developed which allows for both the WAS and the rail project to progress without either being impacted negatively upon. FDC and CCC are proposing a phased approach to the road to take the railway line into account and to ensure that any decisions taken now would not preclude any future delivery of rail.

The phased approach involves designing a new roundabout on the A47 to provide access into south Wisbech, so that if the railway studies conclude that the preferred location for the station is north of New Bridge Lane, there is still access into the South Wisbech Development area. If the preferred station location is south of New Bridge Lane, New Bridge Lane could be re-connected.

The phased approach would be taken forward to the CPCA for approval to carry on with the next stage of the project, which is detailed design and costings of projects. Once this work has been carried out, there would be further reports to the relevant councils and the CPCA to confirm the final preferred package of schemes for construction.

The revised preferred package of short-term schemes is:

- New Bridge Lane/Cromwell Road signals
- Southern Access Road Phased Approach - development of new A47 roundabout
- Elm High Road/Weasenham Lane roundabout
- A47/ Broadend Road Roundabout
- Relocation of A47/Elm High Road roundabout, with further development and delivery towards the end of the short term package (subject to funding approval).

Councillor Oliver drew members' attention to, and requested their support for, the relevant recommendations contained in the FDC Cabinet report. Next steps for the WAS are detailed below:

#### Further Information

<b>Timeline</b>	<b>Task</b>
<b>May 2018</b>	Wisbech Town Council Meeting
	Cambridgeshire County Council Economy and Environment meeting
	Fenland District Council Cabinet meeting
<b>June/July 2018</b>	CPCA Business Board
	CPCA Board Meeting
<b>August 2018</b>	1 <sup>st</sup> payment of the £10.5 million to start the detailed design of the short term schemes
<b>September 2018</b>	Consultants appointed to carry out the Wisbech Rail Study
<b>Dependant on the outcome of the Detailed Design stage</b>	Key Decision approval to progress with the construction of the short term package.
<b>April 2019</b>	2nd Payment of the £10.5 million to continue detailed design and to start the implementation of the short term schemes
<b>April 2020</b>	3rd Payment of the £10.5 million to complete the implementation of the short term schemes
<b>April 2021</b>	The short term phase is complete.

More detail on the way schemes have been developed in individual locations is available online at [www.fenland.gov.uk/wisbechaccess](http://www.fenland.gov.uk/wisbechaccess)

Locations that WAS investigated were:

- Freedom Bridge roundabout
- Bus Station
- operation of Cromwell Road, including A47 roundabout
- operation of Elm High Rd including A47 roundabout
- Weasenham Lane and Ramnoth Rd Junction
- new river crossing
- Western Link Road
- Southern Access Road
- A47 Broadend Rd Junction.

Preferred package cost estimates:

<b>Short Term Package (2021) - Scheme cost + Risk Allowance @20% including 5% inflation pa*4years (2017)</b>			
<b>Scheme</b>	<b>Title</b>	<b>Description</b>	<b>High Level Cost estimate (£ m)</b>
<b>CR2</b>	New Bridge Lane / Cromwell Road Signs	New signalised staggered junction with New Bridge Lane	0.72
<b>SAR-1</b>	Southern Access Road Phased Approach	New connection between New Bridge Lane and Boleness Road including four development junctions	1.64
<b>SAR-1 Phase 1</b>	Southern Access Road	Develop the southern access road scheme that does not cross the railway line	Design cost only
<b>SAR Phase 1 New A47 Junction</b>	Development of the A47 New South Junction	This scheme is linked to SAR-1 and would be delivered if the rail study work (being carried out separately) concluded that north of the A47 was the best location of a station. It should be noted that this scheme has not been tested operationally.	Design cost only
<b>EH7b</b>	Elm High Road / Weasenham Lane Roundabout	New roundabout at junction of A1101 Elm High Road and Weasenham Lane	3.05
<b>EH1</b>	A47/ Elm High Road Roundabout	Scheme replaced by EH3b	(1.08)
<b>BER2</b>	A47 / Broadend Road Roundabout	New roundabout at junction of A47 and Broadend Road	3.43
<b>TOTAL</b>			<b>8.84</b>

<b>Medium Term scheme identified for early delivery using CPCA funding</b>			
<b>EH3b</b>	A47 Elm High Road Roundabout	Relocation of roundabout further east. This would be implemented as an alternative to the short term scheme EH1. It should be noted that this scheme will require further development due to constraints with the proposed design.	10.98
<b>TOTAL</b>			<b>19.82</b>

Councillor Tierney commented that he commends the scheme in its process of consultation and amendment, whereby public opinion had been taken into account to review and amend the proposals.

Councillor Mrs MacRae enquired as to whether the Borough Council of King's Lynn and West Norfolk (BKLWN) would be contributing to the Broadend Road scheme, given that it is located within Norfolk. Councillor Oliver responded that BKLWN is part of the consultation group for the WAS.

Members decided, on the proposal of Councillor Oliver, seconded by Councillor Tierney, that the report be accepted and go forward to the Cambridgeshire and Peterborough Combined Authority for approval.

#### **9/18 Cambridgeshire County Council**

The Deputy Clerk informed members that, as far as she is aware, there are currently no County Council matters requiring consideration by Wisbech Town Council.

Members decided that the situation be noted.

#### **10/18 Fenland District Council**

The Deputy Clerk reported that information in respect of CCTV performance, Section 106 Planning Obligations details and the council's Environment newsletter, had been forwarded, last week by e-mail, to all members of the council.

Members decided that the situation be noted.

#### **11/18 Minutes of the Town Council meeting of 23 April 2018**

Members decided, on the proposal of Councillor Tibbs, seconded by Councillor Schooling, that the minutes of the Town Council meeting of 23 April 2018 be confirmed and signed.

#### **12/18 Minutes of committees**

Members received, for information, the minutes of committee meetings held since the last meeting of the Town Council, as follows:

- (1) Planning and Community Infrastructure Committee - 23 April 2018
- (2) Staffing Committee – 30 April 2018
- (3) Assets Management Committee – 8 May 2018
- (4) Planning and Community Infrastructure Committee - 8 May 2018.

Members decided that the contents of these minutes, including the decisions made by the committees, be noted.

### **13/18 Membership of Committees for 2018/19**

Members considered the appointment of members to the following committees of the council for the municipal year 2018/19:

- Policy and Resources Committee
- Planning and Community Infrastructure Committee
- Assets Management Committee
- Staffing Committee
- Community Events and Festivals Committee
- Wisbech Castle Management Committee
- Wisbech Market Place Management Committee (this is a new committee, which will have included within its Terms of Reference the responsibility for delivery of a scheme of enhancement to the Market Place).

Members decided, unanimously, on the proposal of Councillor Miss Hoy, seconded by Councillor Tierney, that the membership of these committees be as set out in the appendix to these minutes.

It was noted that there is one vacancy on both the Planning and Community Infrastructure Committee and the Assets Management Committee, to be filled following the by-election scheduled for 7 June 2018 (minute 5/18 refers).

### **14/18 Dates of meetings for 2018/19**

Members considered setting the dates of meetings of the town council and its committees for the municipal year 2018/19. The Clerk had circulated to members, in advance of the meeting, a schedule of proposed dates.

Members decided that the dates of the meetings of the town council and its committees for 2018/19 be as proposed on the list produced by the Clerk.

### **15/18 Wisbech Town Council's accounts and AGAR for 2017/18**

Members considered the Annual Governance and Accountability Return (AGAR) in relation to the council's accounts for the financial year 2017/18.

The figures within the Accounting Statements element of the Annual Governance and Accountability Return 2017/18 had been circulated and were also tabled for members' information (the council's final quarter accounts for the financial year 2017/18 had been approved by the Policy and Resources Committee at minute R21/17).

Members decided, unanimously, on the proposal of Councillor Oliver, seconded by Councillor Miss Hoy, that the Annual Governance and Accountability Return and Accounting Statements 2017/18 be approved (and signed by the Mayor), for scrutinising by council's Internal Auditor and subsequent submission to the council's External Auditor.

### **16/18 Leader of the Council's report**

The Leader of the Council, Councillor Miss Hoy, informed members that the council's committees continue to work very hard. She expressed the opinion that the municipal year 2017/18 had been a very busy year for Wisbech Town Council and it is looking as though 2018/19 would be the same.

Councillor Miss Hoy expressed the opinion that one particularly exciting project for Wisbech Town Council is enhancement of Wisbech Market Place. The public consultation exercise - which had consisted primarily of an on-line survey included on the Wisbech Town Council website, but supported by face-to-face engagement between certain councillors and members of the public at Wisbech Market Place on 21 April 2018 - concluded formally on 30 April 2018 and it is now necessary to “drive forward” the project; this will be progressed very soon as the consultation responses from Fenland District Council and Cambridgeshire County Council had now been received.

The Leader of the Council mentioned that another project for the council is the possible improvement of the public toilets owned and operated by Wisbech Town Council. The current situation is detailed within the minutes of 8 May 2018 meeting of the Assets Management Committee; at that meeting it had been agreed (minute A26/17 refers) that an additional meeting of the committee be held, tomorrow, to consider embarking upon a programme of improvement of the toilets.

Members were reminded by the Leader of the Council that the first meetings of the Wisbech Castle Management Committee and its associated working party had taken place on 3 April 2018 and, as a result, things are moving forward in terms of renovating Wisbech Castle and developing the building, the gardens, the pump room and the vaults into places of activity. A considerable amount of work had been undertaken by volunteers in terms of tidying the garden and removing unwanted items from the Castle. Decoration work to rooms on the top floor had commenced today.

Councillor Miss Hoy mentioned that the Community Events and Festivals Working Party continues to work on delivering the programme of events which were agreed by the committee back in January.

The working party had finalised recently the arrangements for WisBEACH day on 3 June (to operate between 11.30 am and 3.30 pm). This year’s event would follow generally the successful format of last year’s WisBEACH day but, hopefully, will be bigger and better. The council would be providing a seaside experience through transforming the Market Place into a sandy beach, complete with donkey rides, face painting, fairground rides, Punch and Judy shows, performances by March Brass 2000, karaoke competition, Crazy Golf, traditional seaside refreshments, a beach bar etc; Visitors to the event would be able to purchase “Wisbech” rock.

Work is also underway in arranging the annual Wisbech Rock Festival, which would take place in Wisbech Park on 5 August 2018.

Members were reminded by Councillor Miss Hoy that the council would be hosting on 29 May 2018 (at 7.30 pm) the Annual Town Assembly; this provides the opportunity for electors to make propositions to the council and provides community groups with an opportunity to address the council and other attendees. She requested that any councillors who are aware of any community group within Wisbech which would like to take advantage of this opportunity to ask a representative of that group to contact the Clerk’s office.

Members decided that the comments of the Leader of the Council be noted.

### **17/18 Cambridgeshire and Peterborough Association of Local Councils (CAPALC)**

Members considered the annual invitation from the Cambridgeshire and Peterborough Association of Local Councils (CAPALC) for Wisbech Town Council to become a member of the association, at a cost of £1,390.15 for the municipal year 2018/19.

Members decided, on the proposal of Councillor Miss Hoy, seconded by Councillor Tierney, that Wisbech Town Council would not to take up membership of CAPALC at this time but it would review

the situation if membership of the organisation is a requirement of access to Public Works Loan Board funding.

**18/18 Reports from representatives on outside bodies**

No member of the council had attended the meeting of an outside body since the last meeting of the council.

Members decided that the situation be noted.

**19/18 Correspondence**

The Deputy Clerk reported an e-mail received from a local historian regarding the placing of informative display boards for the Wisbech to Upwell Tramway.

Members were informed that a Wisbech to Upwell Tram memento had been put in place in the old Outwell tram yard in 2016 (Phase 1). Phase 2 would be placing tram-related features in Upwell, adjacent to the Health Centre, with one of the features being a display board very similar to that which had been produced by Emneth and Elm schoolchildren on the Wisbech Canal located near to Chapel Road. Further to this, it is now planned to place further boards at the Wisbech end and possibly half way near to the Emneth/ Elm border, or even one each for the two villages. The display boards would contain a unique bespoke map, photographs and annotated features along the route.

The e-mail mentions that a grant had been sought to cover expenditure but Wisbech Town Council's support is being sought for the scheme.

Members decided, on the proposal of Councillor Oliver, seconded by Councillor Mrs Cox, that a letter of support be sent from Wisbech Town Council.

**20/18 Notice board/information update**

Members were reminded that WisBEACH day would be taking place on Sunday 3 June. The Mayor mentioned that he hoped to "resurrect" the stocks at WisBEACH day and asked for volunteers to help raise funds for the Mayor's Charities.

Members decided that the situation be noted.

**21/18 Date of next meeting**

Members noted that (in accordance with minute 14/18) the next meeting of Wisbech Town Council is scheduled for 25 June 2018, to commence at 7.30 pm, at the Town Hall in Wisbech

**Meeting finished at 8.20 pm.**

Signed .....
